INFORMATION DISCLOSURE STATEMENT

Sir:

Applicants submit the references listed on the attached FORM PTO-1449, copies of which are enclosed. This statement is being filed simultaneously with the above-identified application.

Anupam et al. discloses a system for visualizing a large amount of data into a limited display space. The front-page figure displays a large amount of graphs in a spreadsheet like form (See Abstract).

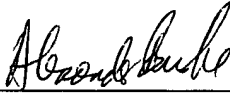

Smokoff et al. disclose a method and system for flexibly organizing, recording, and displaying medical patient care information using fields in a flowsheet. Users can customize a patient information hierarchy, which defines how the information on each patient is stored, and can customize the flowsheets, which are used for entering and displaying result values of parameters (See Abstract).

Other references are also cited.

The Examiner is respectfully requested to make this information of record in this case.

Respectfully submitted,

Date: 15 November 2001
